Spiritual Holocaust

Hate Eternal

Born Aware
Yet Destined Not To Be
To An Entity Of Pain You Serve
Taken From The Light
Nourishment Through Spite
Depleting Human Decree
Chronic Infliction Through A Sickened Will
The Many That Stain This Earth
It Doesn't Matter Who Must Suffer
When Your Sickness Claims RebirthUpheaving Desire - Heinous In Its Wake
Abandonment Of Life - This Baneful Mistake
Sickness Now Unfolds In You - To Death You

You Can't Resist Its TemptationSpiralling Permanence
Merciless Decadence
Unethical Banishment
Fall Before That Which Summons YouImminent Dormancy
Heinous Attrocities
Demons That Beckon Me
That Which To Escape
Is To DieSpiritual HolocaustSpiritual Holocaust
