

# All in All

## Erule

All in all it's just as well  
Water moves and earth is still  
Time is slower still  
Half an hour is thirty days  
Nothing moves at all this way  
Hold on, I can wait

Life lies burning  
I am only just as much as I can make myself  
And I lie burning  
Life is only just a part of it  
I can't help myself

All in all it's just the sun  
Catch wind and hold it down  
Cold when evening comes  
All in all it's just as well  
Catch the river, make it still  
Water turns the mill
