

Come And Get It

J Boog

oh lady how i love the way
your voice when you speak to me
your sway when you look fa me
said baby my name is boog
from this out back way
every inch of your body
i wanna yell out
ooooooooweeeee
so wat cha say yess
laaaaaddddaaayy
come chill wit me
let me lick you up and down
and move your body round
plus my love aside will make you
make dem sexy sounds
hit this high key girl
ya know wat im talkin bout
please stop frontin now
just pull dem satins down

if you want some action
come and get it
some real satisfaction
come and get it
talk like this all night
come and get it
girl i know what chu like
come and get it

baby remember youre thee only one
if you ever leave my life ill be the lonely one
couldnt see myself wit out chu in this crazy world
consider me so lucky that i have you as my girl

if you want some action
come and get it
some real satisfaction
come and get it
talk like this all night

come and get it
girl i know what chu like

if you want some action
come and get it
some real satisfaction
come and get it
talk like this all night
come and get it
girl i know what chu like

if you want some action
come and get it
some real satisfaction
come and get it
talk like this all night
come and get it
girl i know what chu like
