

# Wanderlust (feat. Zakk Wylde)

## Fozzy

I've been around the world a thousand times  
Seen the same places and faces and traces  
I never forget, regret, reject, expect  
Quenching my thirst  
Complacence is curseI climb from mountain to mountain  
Bird on a wing  
Like the wind  
The song that I singNever satisfied to stand in line  
Wasting my mind  
It's my time to shineI just can't get away from yesterday  
But I keep on living the wanderer's way  
And over and over I start anew  
But I can't escape the thoughts of youI tried to play your game a thousand times  
And I let it infect and detect and affect  
My clarity, my charity, my destiny  
Sold out who I was  
And what I could beI drift from moment to moment  
Looking for serenity  
A place to stand  
A home for me  
In a world that's fueling insanityNever satisfied to stand in line  
Wasting my mind  
It's my time to shine
