

Due (Original Crappy Demo)

Mindless Self Indulgence

[Repeat x2]
Everyone knows
What you know
All except me
That ain't right
Let me know
When I get
The respect that I'm due if only for tonight
Watch me mix it
In my basement
With no makeup
I feel naked now
Ha ha ha
I never really lost the fight
But I never really won it
Ha ha ha
And die my darling
Ha ha ha
P.S.
Welcome to my life
