

All Over The World (Xanadu) [80's Movie Hits]

Electric Light Orchestra

Everybody all around the world

Gotta tell you what I just heard

There's gonna be a party all over the worldI got a message on the radio

But where it came from I don't really know

And I heard these voices calling all over the worldAll over the world, everybody got the word

Everybody everywhere is gonna be there tonightEverybody walkin' down the street

Everybody movin' to the beat

They're gonna get hot down in the U.S.A.

(New York, Detroit, L.A.)We're gonna take a trip across the sea, everybody come along with me

We're gonna hit the night down in gay Paris

(C'est la vie, having your cup of tea)All over the world, everybody got the word

Everybody everywhere is gonna feel tonightLondon, Hamburg, Paris, Rome, Rio, Hong Kong, Tokyo

L.A., New York, Amsterdam, Monte Carlo, Shard End andAll over the world, everybody got the word

Everybody everywhere is gonna be there tonight

Everybody all around the world

Gotta tell you what I just heard

Everybody walkin' down the street

I know a place where we all can meet

Everybody gonna have a good time

Everybody will shine till the daylight

All over the world, everybody got the word

Everybody everywhere is gonna be there tonight

All over the world, everybody got the word

All over the world, everybody got the word

All over the world, everybody got the word
