

Sign Language

Quakers

I'm not hungry, I eat
When I'm tired, I can't sleep
When I'm nervous, I speak
It seems the only thing to do
In the morning I rise
Wipe the dream from my eyes
Contemplate your demise
There's just no getting through
Always dream, don't apologize
Life is sweet, never close your eyes
The truth it seems, must have passed you by
At least a million times
Gimme a sign, gimme a reason to be here
I'm leading the blind, when will you make your motives clear
Gimme a sign, gimme gimme, gimme a sign
After all this time why can't we get it right
So you made me a creep
I'm not losing any sleep
'Cause my scars are much too deep
Don't start getting precious on me, yeah
In the morning I rise
While your life is paralyzed
In the sweet smell of disguise
There's just no getting through to you
Always dream, don't apologize
Life is sweet, never close your eyes
The truth it seems, must have passed you by
At least a million times
Gimme a sign, gimme a reason to be here
I'm out of my mind, so shallow and always insincere
Gimme a sign, gimme gimme, gimme a sign
After all this time why can't we get it right
Hey, gimme gimme, gimme a sign
Gimme gimme, gimme, yeah
Gimme gimme, gimme a sign
Gimme gimme, gimme, yeah, yeah, yeah
Gimme gimme, gimme a sign
After all this time why can't we get it right
Another drive by love affair

Why don't you tell someone who cares
If you care
Gimme a sign, gimme a reason to be here
I'm out of my mind, when will you make your motives clear
Gimme a sign, gimme gimme, gimme a sign
After all this time why can't we get it right
Gimme a sign, gimme gimme, gimme a sign
Gimme, gimme, gimme, yeah, yeah, yeah
I'm out of my mind, gimme gimme, gimme a sign
Gimme, gimme, gimme, yeah
Gimme a sign, gimme gimme, gimme a sign
After all this love why can't we get it right
Let's get it right
