

Come Unto Me

Bishop G. E. Patterson

Chorus

Come unto Me

Open up your heart and worship

I am drawing you to Me

Don't hesitate and wont be disapointed

I am everything you need

Come unto Me

oh oh oh oh oh oh oh oh

Verse 1

When seek Me

You will find Me

If you search with all your hearth

When you call Me

I will answer

I am waiting to be found by you

Chorus

Verse 1 (Rep)

with arm open wide

and nothing to hide

come now
