Kyla La Grange

Oh, the end is coming
Soon you'll stay
Oh, the end is coming
But I won't pride
Oh, the end is coming
Soon you'll stay
Oh, the end is coming
It's not for, it's not for
You to tell me what I don't need
To tell me what I need
To explain my mind it's under
To tell me what are you
To tell me what I don't need
To tell me what I need
To explain my mind it's under
To tell me what are you
Oh, the end is coming
And I'm afraid
Oh, the end is coming
Soon you'll stay stay stay stay
Oh, my ears are burning
Why did you keep this from me?!
Oh, my ears are burning
It's not for, it's not for
You to tell me what I don't need
To tell me what I need
To explain my mind it's under
To tell me what are you
To tell me what I don't need,
To tell me what I need
To explain my mind it's under
To tell me what are you!
Hey hey hey he-hey
Hey hey hey he-hey
Hey hey hey he-hey
Hey hey hey he-hey
Hey hey hey he-heyYou to tell me what I don't need
To tell me what I need
To explain my mind it's under

To tell me what are you
To tell me what I don't need,
To tell me what I need
To explain my mind it's under
To tell me what are you!
