

# President Gas

## Psychedleic Furs

You have to have a party  
When you're in a state like this  
You can really move it all  
You have to vote and change  
You have to get right out of it  
Like out of all this mess  
You'll say yeah to anything  
If you believe all this but  
Don't cry, don't do anything  
No lies, back in the government  
No tears, party time is here again  
President gas is up for president  
Line up, put your kisses down  
Say yeah, say yes again  
Stand up, there's a head count  
President gas on everything but roller skates  
It's sick the price of medicine  
Stand up, we'll put you on your feet again  
Open up your eyes  
Just to check that your asleep again  
President gas is president gas again  
He comes in from the left sometimes  
He comes in from the right  
It's so heavily advertised that he wants you and I  
It's a real cowboy set, electric company  
Every day is happy days  
It's hell without the sin, but  
Don't cry, don't do anything  
No lies, back in the government  
No tears, party time is here again  
President gas is up for president  
Line up, put your kisses down  
Say yeah, say yes again  
Stand up, there's a head count  
President gas on everything but roller skates  
It's sick the price of medicine  
Stand up, we'll put you on your feet again  
Open up your eyes just to check that your asleep again  
President gas is president gas again

President gas  
Oh, president gas  
Whoa, president gas  
Oh, president gas  
Whoa, president gas  
Oh, president gas  
Whoa, president gas
