

# Me Against the World (feat. Dramacydal)

[\*\*2Pac\*\*](#)

Advisory - the following lyrics contain explicit language:

It's just me against the world  
Ooh, ooh  
Nothin' to lose,  
It's just me against the world baby  
Oh, ah ah  
I got nothin' to lose  
It's just me against the world  
Oh-hahhh  
Stuck in the game  
Me against the world babyCan you picture my prophecy?  
Stress in the city, the cops is hot for me  
The projects is full of bullets, the bodies is droppin'  
There ain't no stoppin' me  
Constantly movin' while makin' millions  
Witnessin' killings, leavin' dead bodies in abandoned buildings  
Carries to children cause they're illin'  
Addicted to killin' and the appeal from the cap peelin'  
Without feelin', but will they last or be blasted?  
Hard headed bastard  
Maybe he'll listen in his casket, the aftermath  
More bodies being buried, I'm losing my homies in a hurry  
They're relocating to the cemetery  
Got me worried, stressin", my vision's blurried  
The question is will I live? No one in the world loves me  
I'm headed for danger, don't trust strangers  
Put one in the chamber whenever I'm feelin' this anger  
Don't wanna make excuses, cause this is how it is  
What's the use unless we're shootin" no one notices the youth  
It's just me against the world babyMe against the world  
It's just me against the world  
Ooh yeah, ooh-hoo  
It's just me against the world

Me against the world  
Cause it's just me against the world baby  
Hey!  
Me against the world  
Ooh yeah  
I got nothin' to lose  
It's just me against the world baby  
I got nothing to lose Could somebody help me? I'm out here all by myself  
See ladies in stores, Baby Capone's, livin wealthy  
Pictures of my birth on this Earth is what I'm dreamin  
Seein Daddy's semen, full of crooked demons, already crazy  
And screamin I guess them nightmares as a child  
Had me scared, but left me prepared for a while  
Is there another route? For a crooked Outlaw  
Veteran, a villian, a young thug, who one day shall fall Ever'day there's mo' death, and plus I'm dough-less  
I'm seein' mo' reasons for me to proceed with thievin'  
Scheme on the scheming and leave they peeps grieving  
Cause ain't no bucks to stack up, my nuts is backed up  
I'm bout to act up, go load the Mac up, now watch me klacka  
Tried makin' fat cuts, but yo it ain't workin'  
And Evil's lurking, I can see him smirking  
When I gets to pervin, so what?  
Go put some work in, and make my mail, makin' sales  
Risking 25 with a 'L', but oh well Me against the world  
With nothin' to lose  
It's just me against the world  
Ooh yeah, ooh-oooh  
It's just me against the world baby  
Me against the world  
I got nuttin to lose  
It's just me against the world  
Oh oh  
Ha ha  
It's just me against the world baby  
Ha-ah, ha ah!  
With nothin' to lose  
It's just me against the world baby  
Me against the world, ho ah  
Me against the world  
I got nothin' to lose  
It's just me against the world baby  
Ha-hahh (hehe) heyy! With all this extra stressin'"  
The question I wonder is after death, after my last breath  
When will I finally get to rest? Through this suppression  
They punish the people that's askin' questions

And those that possess, steal from the ones without possessions  
The message I stress: to make it stop study your lessons  
Don't settle for less - even the genius asks-es questions  
    Be grateful for blessings  
    Don't ever change, keep your essence  
    The power is in the people and politics we address  
Always do your best, don't let the pressure make you panic  
    And when you get stranded  
    And things don't go the way you planned it  
Dreamin' of riches, in a position of makin' a difference  
    Politicians and hypocrites, they don't wanna listen  
    If I'm insane, it's the fame made a brother change  
        It wasn't nothin' like the game  
It's just me against the worldMe against the world  
    Nothin' to lose  
    It's just me against the world baby  
    Me against the world  
    Got me stuck in the game  
    It's just me against the world  
        Oh ah  
        I'd be ashamed to lose  
    It's just me against the world baby  
Me against the worldHeh, ha ha ha ha ha ha ha  
    That's right  
    I know it seem hard sometimes but uh  
        Remember one thing  
Through every dark night, there's a bright day after that  
    So no matter how hard it get, stick your chest out  
    Keep your head up, and handle itMe against the world  
        Me against the world  
        Me against the world
