

Don't Let The Green Grass Fool You

Wilson Pickett

Girl try to remember when we didn't have no shoes
We stuck together just me and you
It took a long time to get what we got today
Now you wanna give it all up for another guy
Baby, I'm tellin' you don't let the green grass fool you
Don't let it change your mind
It's gonna be hard for me baby
Feel my life all over 'cause baby you got the love that I really need
'Cause if you leave, leave me this way, baby
You know what? I may not live to see a brand new day
Oh baby, don't let, the green grass fool you
Don't let it change your mind
You know why, it may be greener on the other side, baby
But right in my arms is where you belong, ooh baby
Don't let the green grass fool you
Don't let it change your mind, oh baby
It may be greener on the other side, baby
But right in my arms is where you belong, baby
Don't let the green grass fool you
Don't let it change your mind
It may be greener on the other side, baby
In my arms is where you belong, yeah
