## I Miss My Friend

## **Darryl Worley**

I miss the look of surrender in your eyes
The way your soft brown hair would fall
I miss the power of your kiss when we made love
Oh, but baby most of all, I miss my friendThe one my heart and soul confided in
The one I felt the safest with

The one who knew just what to say to make me laugh again

And let the light back in, I miss my friendI miss the colors that you brought into my life

Your golden smile, those blue-green eyes

And I miss your gentle voice in lonely times like now
Saying it'll be alright, I miss my friendThe one my heart and soul confided in
The one I felt the safest with

The one who knew just what to say to make me laugh again

And let the light back in, I miss my friendI miss those times, I miss those nights

I even miss our silly fights

The making up, the morning talks

And those late afternoon walks, I miss my friendThe one my heart and soul confided in

The one I felt the safest with

The one who knew just what to say to make me laugh again
And let the light back in, I miss my friend
I miss my friend, I miss my friend, mmm, I miss my friend
