

A Thousand Miles (feat Alex Goot)

Boyce Avenue

Making my way downtown, walking fast
Faces pass and I'm home-bound
Staring blankly ahead, just making my way
Making a way through the crowd And I need you
And I miss you
And now I wonder If I could fall into the sky
Do you think time would pass me by?
Cause you know I'd walk a thousand miles
If I can just see you tonight It's always times like these when I think of you
And I wonder if you think of me
'Cause everything's so wrong and I don't belong
Living in your precious memory And I need you
And I miss you
And now I wonder If I could fall into the sky
Do you think time would pass me by?
'Cause you know I'd walk a thousand miles
If I can just see you tonight And I, I don't wanna let you know
I, I drown in your memory
I, I don't wanna let this go
I, I don't Making my way downtown, walking fast
Faces pass as I'm homebound
Staring blankly ahead, just making my way
Making a way through the crowd And I still need you
And I still miss you
And now I wonder If I could fall into the sky
Do you think time would pass us by?
'Cause you know I'd walk a thousand miles
If I can just see you Oh, if I could fall into the sky
Do you think time would pass me by?
'Cause you know I'd walk a thousand miles
If I can just see you
If I can just hold you
Tonight
