

Blur the Technicolor

White Zombie

Advisory - the following lyrics contain explicit language:

Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna get it Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna do Falling down I am a psychoholic
Erratic and sure I cannot fail
Replay slow smooth and automatic
Go easy riding danger Yeah, two guns west I ride an instamatic
Polaroid rat crucifixion nail
Antenna down cruising in the deep red
Mouth of a demon angel Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what gonna do Straight to the top sadistic or anything
Acid eat the face of night, strip to the bone
Release me violate eye of God
A goddamn, right Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna get it Yeah, falling down, I am a psychoholic
Erratic and sure I cannot fail
Sit them there and sink into the deep red
E-Z riding danger Shadow play, I blur the technicolor
Keep 'em running-go-demolition way
Going down deep into a hole
Called love of a demon angel Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna do Yeah, falling down, I am a psychoholic
Erratic and sure I cannot fail
Sit them there and sink into the deep red
E-Z riding danger Shadow play, I blur the technicolor
Keep 'em running-go-demolition way
Going down deep into a hole
Called love of a demon angel Give me your hand, give me your hand

Give me your hand, give me your hand
Give me your hand and I know what you gonna doGive me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna doGive me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna giveGive me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna doGive me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna give
