

Fire

Red Hot Chili Peppers

Well alright,
Now dig this! You don't care for me I don't care about that
You got a new fool Hah! I like it like that
I have only one burning desire
Oh, can I make love with your fire? Let me stand next to your fire
Funky Funky fire...
Let me stand next to your fire
Funky Funky fire...
Let me stand next to your fire
Funky Funky fire...
Let me stand next to your fire
Oh yeah, Now listen to this baby
And stop acting so crazy You say your mom ain't home Ain't my concern
Just don't play with me And you won't get burned
I have only one burning desire
Oh, I'm gonna, me, do it in your fire Let me stand next to your fire
Funky Funky fire...
Let me stand next to your fire
Oh, Funky fire...
Let me stand next to your fire
Funky Funky fire...
Let me stand next to your fire
Oh yeah, Oh move over over...
And let Mr Huckleberry take over...
You know he's bad, you know he drowns, you know who he gives it to... Yeah! That's right...
Now dig this! You try to give me your money
You better save it Babe
Save it for your rainy day
I have only one burning desire
Oh, can I make love over your fire? Let me stand next to your fire
Funky Funky fire...
Let me stand next to your fire
Funky Funky fire...
Let me stand next to your fire
Oh, Funky fire...
Let me stand next to your fire You better slide you ass over, girl
'Cos I'm coming through once and I'm coming the way you must be...
