Never Never Never

John Holt

I'd like to run away from you
But if you never found me I would cry
I'd like to break the chains you put around me
But I know I never will
You stay away and all I do
Is wonder why the hell I wait for you
But when did common sense prevail
For lovers when we knew it never will
Impossible to live with you
But I know I could never live without you
For whatever you do
I never never never want to be in love with anyone but youYou never treat me like you should
So what's the good of loving as I do
Although you always laugh at love
Nothing else would be good enough for you
Impossible to live with you but I know I could never live without you
For whatever you do
I never never never want to be in love with anyone but youyou make me laugh
You make me cry
You make me live
You make me sad for you
You make me sing
You make me sad
You make me glad
You make me mad for youI love you, hate you, love you, hate you, but I want you till the world stops turning
For whatever you do
I never never never want to be in love with anyone but you
