

Never Never Never

John Holt

I'd like to run away from you
But if you never found me I would cry
I'd like to break the chains you put around me
 But I know I never will
 You stay away and all I do
Is wonder why the hell I wait for you
 But when did common sense prevail
For lovers when we knew it never will
 Impossible to live with you
 But I know I could never live without you
 For whatever you do
I never never never want to be in love with anyone but you
 You never treat me like you should
 So what's the good of loving as I do
 Although you always laugh at love
 Nothing else would be good enough for you
 Impossible to live with you but I know I could never live without you
 For whatever you do
I never never never want to be in love with anyone but you
 You make me laugh
 You make me cry
 You make me live
 You make me sad for you
 You make me sing
 You make me sad
 You make me glad
You make me mad for you
 I love you, hate you, love you, hate you, but I want you till the world stops turning
 For whatever you do
I never never never want to be in love with anyone but you
