

# Bang Bang You

## Kiss

My love is like a cannonball  
I'm takin' aim and you're gonna fall  
Well don't hide or try to get away  
You know the rules and you're gonna play And we go one, two, three, four  
When midnight comes, I'll be at your door  
Five, six, seven, eight, ooh woh ooh woh, I just can't wait  
I'm gonna bang, bang you  
I'll shoot you down with my love gun, baby  
Bang, bang you  
I got you in the heart, you're gonna be mine, yea ooh Hands up, reach for the sky  
I'll treat you good 'cause I'm a bad guy  
If love's a crime I've got a hundred schemes  
I'll be the villain in your book of dreams And we go one, two, three, four  
When midnight comes, I'll be at your door  
Five, six, seven, eight, ooh woh ooh woh, I just can't wait  
I'm gonna bang, bang you  
I'll shoot you down with my love gun, baby  
Bang, bang you  
I got you in the heart, you're gonna be mine, yea  
You know what I'm talkin' about, ooh Well come on Listen, one, two, three, four  
When midnight comes, I'll be at your door  
Five, six, seven, eight, ooo, I just can't wait  
I'm gonna bang, bang you  
I'll shoot you down with my love gun, baby  
Bang, bang you  
Well I got you in the heart, you're gonna be mine  
Bang, bang you  
Well I'll shoot you down with my love gun, baby  
Bang, bang you  
I got you in the heart, you're gonna be mine, yea Bang, bang you  
I'll shoot you down with my love gun, baby  
Bang, bang you  
I got you in the heart, you're gonna be mine, yea  
Bang, bang you  
I'll shoot you down with my love gun, baby  
Bang, bang you  
I got you in the heart, you're gonna be mine, yea
