

Between You and Me

Relient K

Sorrow is a lonely feelin'
Unsettled is a painful place
I've lived with both for far too long now
Since we've parted ways I've been wrestling with my conscience
And I found myself to blame
If there's to be any resolution
I've got to peel my pride away Just between you and me
I've got something' to say
Wanna get it straight
Before the sun goes down Just between you and me
Confession needs to be made
Recompense is my way to freedom now
Just between you and me
I've got something to say If confession is the road to healing
Forgiveness is the promised land
I'm reaching out in my conviction
I'm longing to make amends So I'm sorry for the words I've spoken
For I've betrayed a friend
We've got a love that's worth preserving
And a bond I will defend Just between you and me
I've got something' to say
Wanna get it straight
Before the sun goes down Just between you and me
Confession needs to be made
Recompense is my way to freedom
Just between you and me
I've got something to say In my pursuit of God, I thirst for holiness
As I approach the Son, I must consider this
Offenses unresolved, they'll keep me from the throne
Before I go to Him, my wrong must be atoned If there's to be any resolution
I've got to peel this pride away Just between you and me
I've got something' to say
I wanna get it straight
Before the sun goes down Just between you and me
Confession needs to be made
Recompense is my way to freedom
It's my way to freedom It's my way to freedom
It's my way to freedom
I've got something to say

So let me say it today It's my way to freedom
It's my way to freedom
I've got something to say
Confession needs to be made It's my way to freedom
It's my way to freedom
I've got something to say
Confession needs to be made It's my way to freedom
It's my way to freedom
I've got something to say
