

Always

Frank Sinatra

I'll be lovin' you always
With a love that's true always
When the things you've planned need a helpin' hand
I will understand always, always Days may not be fair always
That's when I'll be there always
Not for just an hour, not for just a day
Not for just a year, but always Days may not be fair always
That's when I'll be there always
Not for just an hour, not just a day
Not for just one year, but always Always
Always
All the time
