

# Only to You

## By The Tree

Join with me in graceful dance  
And summon the company of angels  
The Heavens and earth bear witness to this  
While all of creation will singOnly to You, for all eternity  
Our voices sing and praise  
Only to You, all Heaven will celebrate  
Our Savior, our King  
Only to You, only to You, only to YouOne that I love, my heart has seen  
The day will come, the return of our King  
Knees will bow and tongues will confess  
All nations, all tribes, they will singOnly to You, for all eternity  
Our voices sing Your praise  
Only to You, all Heaven will celebrate  
Our Savior, our King  
Only to You, only to You, only to YouJoin with me in graceful dance  
And summon the company of angels  
The Heavens and earth bear witness to this  
While all of creation will singOnly to You, for all eternity  
Our voices sing Your praise  
Only to You, all heaven will celebrate  
Our Savior, our KingOnly to You, for all eternity  
Our voices sing Your praise  
Only to You, Heaven will celebrate  
Our Savior, our King  
Only to You, only to You, only to You  
Only to You
