

Hollow Mountain

Efterklang

Do it, do it, do it,
Do it, do operator
Come up, come up, come up so hard
Do it, do it, do it,
Do it, do operator
So what, so what, so what, so what, so what?
Do it, do it, do it,
Do it, do operator
So what, so what, so what, so what, so what? Its impossible and, over mountain Doka
And I wonder, I wonder, I wonder
There is nothing else that in pieces to pieces are straight
When I forget about it
I cant face the pieces on fire
You stood straight, cause dont you know
That Ive been picking up, to someone
Help, Im falling down! Its impossible, when the night inverts us
And I wonder, I wonder, I wonder what I am?
Its destructible, but I know that someday,
when Im gone, Im going, Im going oh-oh-oh
I cant face the pieces on fire,
You stood strangers dont you know?
That Ive been picking up from somebodys left
Help, Im falling down! Do it, do it, do it,
Do it, do operator
Come on, come on, come on so hard
Do it, do it, do it,
Do it, do operator
Come on, come on, come on so hard
