

I Like It (feat. Laura Dawn)

Moby

Oh
Oh
I Like it
I like it a lotOh
I like it a lotOh
I like it a lotI liked it
I liked it a lot
Stip there, sooner or not
Right there, there on the groundDid I say I liked it?
Yes you did
Did I say I liked it?
Yes you did
I like it
I liked it a lotI like everything about you
I like everything we try
I like everything we did then
I liked it so good inside,
So good insideI liked it
No, I liked it a lot
I liked it
Oh way to goTake this
You did it a lot
It's better
Better then once
I liked it
I liked it a lot
I liked it
I liked it a lotDid I say I liked it?
Did I say that now?
Did I say I loved it?
Did you understand?
Did you get it right now?
Didn't it sounds.
Did it feel good now?Did I say I liked it?
I liked it a lot
I liked it
I liked it a lotDid I say I liked it?
I liked it a lot
Did I say I liked it?

You know I liked it a lotI liked it

I liked it a lot

I liked it

No, I liked it a lotI like it

I liked it a lot

I like it

I liked it a lot
