

Best I Ever Had

Gavin DeGraw

[Verse 1]

Melt Antarctica, savin'™ Africa
I failed algebra and I misused some times
We're™ at war again, save the world again
You can all join in, but you can't™ smoke inside

[Bridge 1]

You said "Take me home, I can't™ stand this place
'Cause there's™ too many hipsters and I just can't™ relate"
You're™ my neon gypsy, my desert rain
You're™ my "Helter Skelter", oh how can I explain that

[Chorus]

You're™ the best I ever had
And I'm™ trying not to get stuck in my head
But I read that soda kills you and Jesus saves
On the bathroom wall where I saw your name
You're™ the best I ever had
I won't™ be the same

[Verse 2]

Night sky full of drones, this neighborhood of clones
I'm™ looking at the crowd and they're™ staring at their phones
They groom the coast line here, the sun will disappear (Oh God!)
And maybe once a year, I think they'll™ clean my car

[Bridge 2]

Caught my reflection, drop the call
I've™ been medicated with cigarettes and alcohol
I got vertigo, no I can't™ see straight
I got obligations though I'm™ usually late but

[Chorus]

You're™ the best I ever had
And I'm™ trying not to get stuck in my head
But I think I dropped my wallet in Santa Fe
Lost the only picture I had of you that day and
You're™ the best I ever had
I won't™ be the same

[Middle 8]

Hey West Virginia, Hey North Dakota
I think I love you, but don't even know you
Hey Massachusetts, Hey Minnesota
I think I love you, but don't even know you
Hey Carolina, Hey Oklahoma
I think I love you, but don't even know you
Hey Alabama, Hey California
I think I love you, but don't even know you

[Chorus]

You're the best I ever had (you're the best I ever had)
And I'm trying not to get stuck in my head (get stuck in my head)
But I passed the longest sign on the interstate
Saying "Find someone before it gets too late"
You're the best I ever had (you're the best I ever had)
I won't be the same

[Middle 8]

Hey West Virginia, Hey North Dakota (Oh why, oh why)
I think I love you, but don't even know you (I won't be the same)
Hey Massachusetts, Hey Minnesota (you're the best I ever had)
I think I love you, but don't even know you (I won't be the same)

Yeah, I won't be the same
