Ghouls Night Out

Goldfinger

This is the ghouls night out
Suffer unto me
Devils born in angels arms
Ghouls in heavens fall
This is the ghouls night out
All ghouls go to hell
Humans held on eating flesh
It?s my destiny
Ghouls, ghouls, ghouls night out
Ghouls, ghouls, ghouls night out
Ghouls, ghouls, ghouls, ghouls destiny
Hell is where you want to be
I feel the hell on you and me
I feel it every day
Hell is where you want to be
I feel the hell on you and me
It never goes away

Ghouls, ghouls, ghouls night out
This is the ghouls night out
Suffer unto me
Devils born in angels arms
Ghouls in heaven fall
This is the ghouls night out
All ghouls go to hell
Humans held on eating flesh
It?s my destiny
Ghouls, ghouls, ghouls night out
Ghouls, ghouls, ghouls night out
Ghouls, ghouls, ghouls, ghouls destiny
Ghouls, ghouls, ghouls night out
Ghouls, ghouls, ghouls night out
Ghouls ghoul, ghouls, ghouls
