

# Happy Song

## Bring Me the Horizon

S.P.I.R.I.T.

Spirit, let's hear it

S.P.I.R.I.T.

Spirit, let's hear it

Let's go! I've had enough

There's a voice in my head

Says I'm better off dead But if I sing along

A little fucking louder to a happy song

I'll be alright You want to give up

Gave it all that you've got and it still doesn't cut But if you sing along

A little fucking louder to a happy song

You'll be just fine 'cause Every now and again we get that feeling

And the great big void inside us opens up

And I really wish that you could help

But my head is like a carousel

And I'm going round in circles

I'm going round in circles S.P.I.R.I.T.

Spirit, let's hear it

S.P.I.R.I.T.

Spirit, let's hear it We are possessed

We're all fucked in the head

Alone and depressed But if we sing along

A little fucking louder to a happy song

Maybe we'll forget 'cause Every now and again we get that feeling

And the great big void inside us opens up

And I really wish that you could help

But my head is like a carousel

And I'm going round in circles

I'm going round in circles Don't wake us up, we'd rather just keep dreaming

'Cause the nightmares in our heads are bad enough

And I really wish that you could help

But my head is like a carousel

And I'm going round in circles

I'm going round in circles The world has coalesced

Into one giant mess

Of hate and unrest

So let's all sing along

A little goddamn louder to a happy song

And pretend it's all ok Let's go! So sing along

Let's sing along  
A little fucking louder  
A little fucking louder  
Well, don't you feel so much better?S.P.I.R.I.T.  
Spirit, let's hear it (well, that's the spirit)S.P.I.R.I.T.  
Spirit, let's hear it (yeah, that's the spirit)
