It's Getting Better

Thompascal

Once I believed that when love came to me
It would come with rockets, bells and babyBut with me and you, it just started quietly and grew
And believe it or not
there's something good 'bout whatever we gotAnd it's getting better
Growing stronger, warm and wild
Getting better everyday, better everydayI don't feel all turned on and starry eyed
I just feel a sweet contentment deep insideHolding you at night just seems kind of natural and right
And it's not hard to see
That it isn't half of what it's going to turn out to be'Cause it's getting better
Growing stronger, warm and wild
Getting better everyday, better everydayAnd I don't mind waitin', I don't mind waitin'
'Cause no matter how long it takes
The two of us knowThat it's getting better
Growing stronger, warm and wild
Getting better everyday, better everydayGetting better everyday, it's getting better everyday
Getting better everyday, it's getting better everyday
Getting better everyday, it's getting better everyday
