

Funky Jesus Music

Tobymac

Give me that Funky (funky, funky)

Give me that Funky (funky, funky)

Verse 1:

Yo stick in it red, we go t the cred

No need to say what's already been said

Don't need to please, When we got the proof

We be on our knees when we raise the roof

'Cause we got the "One Pot" mix up flavor

We got the Funky Jesus Blazer

No equal, Diverse people

Come get it now, Won't be a sequel

None of that mumbo jumbo

Give me that hip hop funk soul

Give me that Funky Jesus Music, give me that soulful gumbo

Chorus:

Give me that Funky (funky, funky), Funky Jesus Music

Give me that hip, that rock, that funk and soul

Give me that juicy flow

Give me that Funky (funky, funky), Funky Jesus Music

Give me that hip, that rock, that funk and soul

And watch this party grow

Let's Go

Let's Go

Verse 2:

Look at them freaks, They fashion loud

Makin' that hotness, movin' that crowd

Bumpin' that junk with a life injection

Sweet to the ears like that candy section

Is to the eyes, Feels so fly

Passion that just won't subside

We got this Winner's Ball

So check it out, Gonna watch em' fall

None of that mumbo jumbo

Give me that hip hop funk soul

Give me that Funky Jesus Music

Give me that soulful gumbo

Chorus:

Give me that Funky (funky, funky), Funky Jesus music

Give me that hip, that rock, that funk and soul

Give me that juicy flow

Give me that Funky (funky,funky), Funky Jesus Music

Give me that hip, that rock, that funk and soul

And watch this party grow

Let's Go

Let's Go

Verse 3:

From coast to coast, This is the most
We got beats and rhymes, And after shows
We got funky people on the highs and lows
MC's like we, They call us pros
So sure shot rockers, take stock of this
I'll play the post, In a B- Boy Bliss
See, we bum rush, With no discussion
A red hot show, That freak Production

Chorus:

Give me that Funky (funky, funky), Funky Jesus Music

Give me that hip that rock, that funk and soul

Give me that juicy flow

Give me that Funky (funky, funky), Funky Jesus Music

Give me that hip, that rock, that rock that funk and soul

Give me that Funky (funky, funky)

Give me that Funky (funky, funky)

And what this party grow

Let's Go

Let's Go

Give me that, Give me that

Funky Jesus Music
