

# Every Time I Think of You

## Angelina

Appearing in the night  
Like an angel while I'm sleeping  
I feel your arms around me  
But sadly I'm just dreaming I stare into the darkness  
And hope to find you waiting  
But I know that it's useless  
I'm just hallucinating And I swear your love is addicting  
I'd give up my world, for you I'd come running  
And I swear that I have it all  
Then tell me why can't I stop thinking of you It's your voice that I hear, it's your touch that I feel  
And your love comes to me every time I think of you  
Boy, my dreams are so real and I know eventually  
You will see what I feel, every time I think of you Veo cada estrella en el brillo de tus ojos  
Veo primavera, en medio del otono  
Veo lluvia Fresca, luz de luna llena  
Veo que mi vida sin ti estaria a medias And I swear your love is addicting  
I'd give up my world, for you I'd come running  
And I swear that I have it all  
Then tell me why can't I stop thinking of you It's your voice that I hear, it's your touch that I feel  
And your love comes to me every time I think of you  
Boy, my dreams are so real and I know eventually  
You will see what I feel, every time I think of you Then tell me why can't I stop thinking of you It's your voice  
that I hear, it's your touch that I feel  
And your love comes to me every time I think of you  
Boy, my dreams are so real and I know eventually  
You will see what I feel, every time I think of you Cada Vez que pienso en ti  
(Of you)  
Every time, every time I think of you  
Every time I think of you
