

A Decade Under The Influence

Taking Back Sunday

Well, sad, small, sweet, so delicate
You used to be this dying breed
(Well, I've got a bad feeling about this
I've got a bad feeling about this)
You kept still until the long drive home
You slept safe and close to the window
(Well, I've got a bad feeling about this
I've got a bad feeling about)
Who's to say you'll have to go? Well, say you'll have to go
(I could go all night, I could go all)
To hell with you and all your friends
To hell with you and all your friends, it's on
Well, sad, small, sure and porcelain
You're skin and bones, I'm a nervous wreck when it comes to this
(Well, I've got a bad feeling about this
I've got a bad feeling about this)
You kept still until the long drive home
You slept safe and close to the window
(Well, I've got a bad feeling about this
I've got a bad feeling about)
Who's to say you'll have to go? Well, say you'll have to go
(I could go all night, I could go all)
To hell with you and all your friends
To hell with you and all your friends, it's on
Well, I got a bad feeling about this
(What is this for?)
Well, I got a bad feeling about
Anyone will do tonight
Anyone will do tonight
Close your eyes, just settle, settle
Close your eyes, just settle, settle
Anyone will do tonight
Anyone will do tonight
Close your eyes, just settle, settle
Close your eyes, just settle, settle

Anyone will do tonight
(Anyone)
Anyone will do tonight

(Anyone)
Close your eyes, just settle, settle
Close your eyes, just settle, settle
Well, I got a bad feeling about this, I got a bad feeling about this
(To hell with you and all your friends, it's on)
I'm coming over but it never was enough
I thought it through and my worst brings out the best in you
I got a bad feeling about this, I got a bad feeling about this
(To hell with you and all your friends, it's on)
I'm coming over but it never was enough
I thought it through and my worst brings out the best in you
I got a bad feeling about this, I got a bad feeling about this
(To hell with you and all your friends, it's on)
I'm coming over but it never was enough
I thought it through and my worst brings out the best in you
I got a bad feeling about this, I got a bad feeling about this
(To hell with you and all your friends)
I'm coming over but it never was enough
I thought it through and my worst brings out the best in you
I got a bad feeling about this, I got a bad feeling about this
I got a bad feeling about this, I got a bad feeling about this
(I am you, I am, you, I am)
I got a bad feeling about this, I got a bad feeling about this
(You, I am, you, I am)
Well, I got it bad, well, I got it bad
Well, I got it bad, well, I got it bad
Well, I got it bad, well, I got it bad
