

# Right Here Waiting

**Julio Iglesias**

Oceans apart day after day  
And I slowly go insane  
I hear your voice on the line  
But it doesn't stop the painIf I see you next to never  
How can we say foreverWherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for youI took for granted all of the times  
That I thought would last somehow  
I hear the laughter, I taste the tears  
But I can't get near you nowOh, can't you see it, baby  
You've got me goin' crazyWherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for youI wonder how we can survive  
This romance  
But in the end if I'm with you  
I'll take the chance, wherever you goOh, can't you see it, baby  
You've got me goin' crazyWherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for youI will be right here waiting for you  
I will be right here waiting for you
