

Lonely Nation

Switchfoot

She turns like the ocean, she tells no emotion
She's been gunning down the fight
She's just reminiscing, blood, sweat, and one thing's missing
She's been breaking up inside, inside Singing without tongues
Screaming without lungs
I want more than my lonely nation
I want more than my lonely nation Desperate we are young
Separate we are one
I want more than my desperation
I want more than my lonely nation, oh oh We are the target market, we set the corporate target
We are slaves of what we want
We're just not amused and we're just used to bad news
And we are slaves of what we want Singing without tongues
Screaming without lungs
I want more than my lonely nation
I want more than my lonely nation Desperate we are young
Separate we are one
I want more than my desperation
I want more than my lonely nation Lonely, lonely, come on Don't leave me hollow, I'm tired
Don't leave me hollow, I'm tired of feeling low
I'm feeling hollow, I'm tired of feeling low
I'm feeling hollow, I'm tired of feeling low
I'm feeling hollow, I'm tired of feeling low
I'm feeling hollow, I'm feeling hollow, feeling hollow Singing without tongues
Screaming without lungs
I want more than my lonely nation
I want more than my lonely nation Desperate we are young
Separate we are one
I want more than my desperation
I want more than my lonely nation
I want more than my lonely nation
I want more than my lonely nation
