

# Merry Christmas from Our House to Yours

## Buck Owens & His Buckaroos

Merry Christmas from our house to your house  
Merry Christmas from our kids to yours  
May happiness be round your Christmas tree  
May your disappointments be few.  
Merry Christmas from our house to your house  
May peace and good will follow you.  
And may you be blessed with health and happiness  
Merry Christmas from our house to yours May all of your loved ones be near you  
And may all of your spirits be bright  
May all of your dreams be what this Christmas brings  
Merry Christmas from our house to yours.  
--- Instrumental ---  
May all of your loved ones be near you  
And may all of your spirits be bright  
May all of your dreams be what this Christmas brings  
Merry Christmas from our house to yours. Merry Christmas from our house to yours...
