

Ulcer Breakout

Butthole Surfers

Ever fall in love with a line
Ever fall in love with a line
Ever felt your gun for the trigger
Ever fell so fast you could die
Got to be at least 500 inches
Cubic inches never certified by law
Ever had the feeling of pleasure
Ever felt your eyes get shot
ever fall into the trunk yeah
So fast head over your balls
Got to be at least 500 inches
Cubic inches out of 75 recorded by law
Ever fall in love with a Chevy
Ever fall in love with a Ford
Ever felt the torque of a hemmi
Ever seen the face of the lord
Got to be at least 500 inches
Cubic inches out of 75 recorded by law
ever fall in love with a line
Ever fall in love with a line
Ever felt your gun for the trigger
Ever fell so fast you could die
Got to be at least 500 inches
Cubic inches never certified by law
