Fly Away

Alex John

I gotta let you go, I gotta let you go
I gotta let you go, I gotta let you go
I gotta let you go, I gotta let you go
I gotta let you go, I gotta let you go

Times I feel so alive, Times I feel electrified
Hearts will break Hearts will die
You say you, but I say Mine

Just keep faith hold on tight
Fly away into the night
Just keep faith hold on tight
Fly away into the night
I gotta let you go, I gotta let you go
I gotta let you go, I gotta let you go

All thatâ€™s left of me, inside I try breath
All that I can see, what is Left of me

Just keep faith hold on tight
Fly away into the night
Just keep faith hold on tight
Fly away into the night
I gotta let you go, I gotta let you go
I gotta let you go, I gotta let you go

Fly away
Fly away with me
Fly Away
Fly Away with me
Fly Away
Fly Away with me
Fly Away x2
Fly away with me

Fly Away
