

# Just Cruisin'

## Will Smith

Intro the maestro, nice flow  
Hot like nitro, cool as ice though  
That type of docodimy, y'all know it's gotta be  
Who else could it be but me  
Rub your eyes but hold the big billy  
It's dream supreme bean straight from Philly  
It's the eclectic female attractor, rapper slash actor  
Right back at ya  
And to the next millennium many come but few are chosen  
See me servin' like the U.S. open  
Another type of hustler listed at blockbuster  
Go and ask a movie usher  
Who is he, he or she, SFP, movies Cd's  
And TV's, but uh uh  
'Cause the day I take a break from that  
As I rule where a tank of gas take me at  
I used to rock these red, I rock Z's  
Now I rock the M B's with twelves and V's  
Today sun up high in the sky  
From N Y la la me to M I  
Just cruisin'  
Where, baby, I don't care  
Just cruisin'  
As long as you take me there  
Just cruisin'  
Somewhere to clear my mind  
Just cruisin'  
Just cruisin'  
Easy wrote a sixty flossin', ninety degrees  
Sony cartridges, ten Cd's each, reach to the beach  
South side leanin', it ain't often I'm off and I'm for the  
Top down drop down, got me hot now heated up can't stop now  
What up cutie what sure, sure is cooking now  
Yo I know I'm spoken for can't hurt lookin' no  
Pop Cd's, B-I-G's, and Tupac's  
While cruisin' on the blocks hittin' the hot spots  
Got my celly on O-F-F, golden arches got my belly goin' oh yes yes  
So let's just ease on down ease on down the road  
No pager roll my hip as I rollin' my whip

'Cause today I'm on the solo creek  
Man, why you think I be workin' all week  
    I'm just cruisin'  
    Where, baby, I don't care  
    Just cruisin'  
    As long as you take me there  
    Just cruisin'  
    Somewhere to clear my mind  
    Just cruisin'  
    Just cruisin'  
    I'm just cruisin'  
    Where, baby, I don't care  
    Just cruisin'  
    As long as you take me there  
    Just cruisin'  
    Somewhere to clear my mind  
    Just cruisin'  
    Just cruisin'

Sun settin' in the S-K-Y, must say I've had the best day  
I tryin' to find an exit a place to chill not to hectic  
    So I can spend some time with Will  
Let the sun shine to the moonlight clearin' my mind  
    Soul search, see what I find  
If I'm being the best lover and friend  
    Am I being the best daddy I can  
    I pray I am and I feel good today  
Reminence as I'm cruisin' around the way  
Roll tight passed the park where I used to play  
Can't think of the better way to spend my day  
    Uh, still findin' my way, still growin'  
    Petrol rowin', move soon showin'  
    Gots to get goin' losing the light  
    And the freaks come out at night  
    I'm just cruisin'  
    Where, baby, I don't care  
    Just cruisin'  
    As long as you take me there  
    Just cruisin'  
    Somewhere to clear my mind  
    Just cruisin'  
    Just cruisin'  
    I'm just cruisin'  
    Where, baby, I don't care  
    I'm just cruisin'  
    As long as you take me there

Just cruisin'  
Somewhere to clear my mind  
Just cruisin'  
Just cruisin'
