

# Teach Me Tonight

## Amy Winehouse

Did you say I've got a lot to learn?  
Well, don't think, I'm tryin' not to learn  
Since this is the perfect spot to learn  
Oh, teach me tonight

Let's start with the A B C of it  
Roll right down to the X Y Z of it  
Help me solve the mystery of it  
Teach me tonight

The sky's a black board  
High above you  
If a shooting star goes by  
I'll use that star to write I love you  
A thousand times across the sky

One thing isn't very clear, my love  
Should the teacher stand so near, my love?  
Graduation's almost here, my love  
Come on and teach me tonight

I'll use that star to write I love you  
A thousand times across the sky

One thing isn't very clear, my love  
Should the teacher stand so near, my love?  
Graduation's almost here, my love  
Teach me, please, teach me tonight
