

Days Go By

[Duncan Sheik](#)

Advisory - the following lyrics contain explicit language:

Well, I know it's not fashionable
To be this hopeful, laugh away
I didn't think it was possible
To be this grateful anyway
And I know it's not sensible
To be this passionate everyday
Days go by, I catch myself smile
More than you'd ever expect
It's been a long while
Since it's been okay to feel this way
In the volumes of history
Have you ever seen anything so pure?
In the wildest mythology
Were the gods and goddesses ever so in love?
In your own experience
Have you ever known tenderness like this?
Days go by, I catch myself smile
More than you'd ever expect
It's been a long while
Since it's been okay to feel this way
These are the most precious
Of all my days
