

# Love and Be Loved

Rod Stewart

There's a place that I know  
Where the oceans are never cold  
Happy people, they glow so bright  
Where the sand is warm and white, oh yeah  
Oh yeah Where the palm trees gently sway  
And the sky is never gray  
All day long, they sing this song  
The simple words that roll along Love and be loved  
Oh, sing it now  
Love and be loved  
Love and be loved  
Oh, sing it now  
Love and be loved At the beach at the Coco Bar  
Little Jimmy, he plays guitar  
He said, "All the riches that you possess  
May never bring you happiness, oh yeah"  
Oh, yeah So reach out and help the man  
Whose luck is down and needs a hand  
'Cause everything means nothing at all  
If your heart is empty and cold Love and be loved  
Oh, sing it now  
Love and be loved  
Love and be loved  
Oh, sing it now  
Love and be loved In a world divided by indifference  
We much teach our children the meaning of commitment  
Oh yeah, yeah, yeah  
Sing it, girls Slow down and take your time  
Life can change on one slim dime  
What you give is what you get  
So, my friends, never forget to Love and be loved  
Oh, sing it now  
Love and be loved  
Love and be loved  
Oh, sing it now  
Love and be loved Love and be loved  
Oh, sing it now  
Love and be loved  
Love and be loved

Oh, sing it now  
Love and be loved Love and be loved  
Oh, sing it now  
Love and be loved
