

Don't Want You Back

Leela James

Two o'clock in the morning, you on my phone
Tryina talk to me and saying that you want me back
You need me back, and you say you never left me
There you go, talking that shit, same old shit
Don't wanna hear that shit, no
I remember when you had me, you treated me bad
You treated me bad
You had a good thing, you had a good thing
Yeah
And you let it go (you let it go)
And now you tryina come back
But no, no no no
I will never take you back, no, no no no no
It's funny how you tryina come back
No, ha ha
It's too late, I've moved on
And I don't want you back
(I don't want your love
I don't need your love)
I don't want your love, you can keep your love
'Cause someone else is living here, someone else is saying my name
Baby, he's cooking me breakfast, winning, dinning, flowers for no reason
He's doing what he's supposed to do, uuh
It could've been you
You had a good thing, you had a good thing
Yeah
And you let it go (you let it go)
And now you tryina come back
But no, no no no
I will never take you back, no, no no no no
It's funny how you tryina come back
No, ha ha
But you did me wrong
It's too late, I've moved on
And I don't want you back
I was so good to you,
I was so good to you
But it wasn't enough, and I'm through with you, through with you, through with you
Ooh, you didn't appreciate me

Funny how you do now, but it's too late
It's too late, I've moved on
And I don't want you back
No, no, no, no
(I'll never take you back, no no no
I'll never take you back, no no no)
And now you tryina come back
But no, no no no
I will never take you back, no, no no no no
It's funny how you tryina come back to me
It's too late, I've moved on
And I don't want you back
(You did me wrong, you did me wrong)
