Father and Daughter

Paul Simon

If you leap awake
In the mirror of a bad dream
And for a fraction of a second
You can't remember where you are
Just open your window
And follow your memory upstream
To the meadow in the mountain
Where we counted every falling starI believe a light that shines on you
Will shine on you forever
And though I cant guarantee
There's nothing scary hiding under your bed
I'm gonna stand guard like a postcard
of a Golden Retriever
And never leave till I leave you
With a sweet dream in your bedChorus:
I'm gonna watch you shine
Gonna watch you grow
Gonna paint a sign
So you'll always know
As long as one and one is two wooo
There could never be a father who loved
His daughter more than I love youTrust your intuition
It's just like goin fishin'
You cast your line and hope you get a bite
You don't need to waste your time
Worryin' about the market place
Trying to help the human race
Strugglin to survive its harshest hourchorus
