Believe

K's Choice

Bravely, I look further than I see

Knowing things , I know I cannot be, not now
I'm so aware of where I am, but I don't know where that is

And there's something right in front of me and ITouch the fingers of my hand and I wonder if it's me

Holding on and on to theories of prosperity

Someone who can promise me
I believe in meTomorrow I was nothing, yesterday I'll be
Time has fooled me into thinking it's a part of me
Nothing in this room but empty space

No me, no world, no mind, no faceTouch the fingers of my hand and tell me if it's me Holding on and on to love, what else is real

A religion that appeals to me

(Oh)

I believe in meCan you turn me off for just a second, please?

Turn me into something faceless, weightless, mindless, homeless

Vacuum state of peaceOn and on and
