Goonies Never Say Die

J.R. Writer

With balled up fists, take steady aim
I'll make a go of this and wish for better things than what I've seen
"I'll look forward, straight, and ahead" - easier said than done
I know, for this time, I'm gonna try
Turn around and close your eyes - wasted days and smiles
Talk is cheap, and mine's the worst
I've realized my actions are worth so much more
than they were before
It's time for me to gather all my thoughts,
turn them all inside out and see what it's all about
Turn around, and close your eyes - wasted days and smiles

I need to find what might be mine, just let me go this time.
Don't say, "I quit"
I'll be back
I need to find what might be mine, just let me go this time
Your face never looked so sad
no need to worry, cause I'll be back
I'm just tired of the same routine
I need to find what it is waiting out there for me
