

Steady As We Go

Dave Matthews Band

I walk half way around the world
Just to sit down by your side
And I would do most anything girl
To be the apple of your eye But troubles they may come and go
But good times they're the gold
And if this road gets rocky girl
Just steady as we go Any place you wanna go
Know I'll be next to you
If it's treasure, baby, you're looking for
I'll search the whole world through Know troubles they may come and go
But good times they're the gold
So if the road gets rocky girl
Just steady as we go When the storm comes
You shelter me
And I don't say a word
And you know exactly what I mean In the darkest times
You shine on me
You set me free
And keep me steady as we go So if your heart rings dry my love
I will fill your cup
And if your load gets heavy girl
I will lift you up But troubles they may come and go
But good times be the gold
So if the road gets rocky girl
Just steady as we go Ah, hold me
Shine on me
Oh, shine, shine, shine
Shine on me baby
