

# Paradise

Frederic Viale

[Verse 1]How long you gonna make me wait  
Tell me what it's gonna take  
Boy you got that thing I really need  
Baby give me a clue  
Now I leave it up to you  
Let's keep it on the low  
Boy you put your trust in me  
They don't need to know the truth  
The way I feel for you  
So watcha gonna do when my love is here for you?  
[Chorus]Paradise  
That's where I am  
When I make love to you  
Boy you take me there  
This I swear  
Paradise  
When you touch me  
In the places you do  
I can't wait no more  
Take me there tonight  
[Verse 2]Won't you make up your mind  
Thought about a thousand times  
Tell me what to do to make you mine  
I think about you every day  
Thoughts of you won't go away  
Let's keep it on the low  
Boy you put your trust in me  
They don't need to know the truth  
The way I feel for you  
So watcha gonna do when my love is here for you?  
[Chorus]Paradise  
That's where I am  
When I make love to you  
Boy you take me there  
This I swear  
Paradise  
When you touch me  
In the places you do

I can't wait no more  
Take me there tonight  
[C-part]It's time to tell the truth  
It's time that you confess  
Be honest with me baby  
I know you're feeling this  
Do you need for me  
Like I feel for you  
Tell it to me baby  
So whatcha gonna do  
[TQ]Wait a minute, ma, let me let you know what i'm in to  
To know where I'm going  
Gotta know what I've been trough  
Hustler  
Never been the type to sweat you  
But I must admit you're looking good in your jeans, boo  
Can we rendez-vous at the hotel around noon?  
Can you keep a secret 'bout the things that we do?  
If you can we can go to paradise, boo  
Me and you  
Me and you  
Me and you  
[Chorus]Paradise  
That's where I am  
When I make love to you  
Boy you take me there  
This I swear  
Paradise  
When you touch me  
In the places you do  
I can't wait no more  
Take me there tonight
