One Bad Night

Hayley Kiyoko

Chorus:
Talk with your fingertips, don't stop the car let's drive;
Suck on your amber lips, just give me one bad night
Heartbeat is razor thin, hot heat you make me high;
Get underneath my skin, just give me one bad nightPre-Chorus:
Ooh, aah, you make me feel like, I wanna be bad
I wanna be bad, bad; Ooh, aah, let's have a good
Time, and never look back, let's never look back;Chorus:
Talk with your fingertips, don't stop the car let's drive;
Suck on your amber lips, just give me one bad night
Heartbeat is razor thin, hot heat you make me high;
Get underneath my skin, just give me one bad nightOne bad night
One bad night
One bad nightBridge:
We play with fire, these yellow marks get glowing
Ember on the wire, I'm burning with you on this
Black tar road, when it feels this good you don't
Let go;Pre-Chorus:
Ooh, aah, you make me feel like, I wanna be bad,
I wanna be bad;Chorus:
Talk with your fingertips, don't stop the car let's drive
Suck on your amber lips, just give me one bad night;
(One bad night) Heartbeat is razor thin (one bad night)
Hot heat, you make me high (one bad night) Get
Underneath my skin (give me one bad night) just
Give me one bad nightOutro:
One bad night
One bad night
One bad nightAll night
Never gonna stay
All night
Never gonna stay
All nightOne bad night
One bad night
One bad night
One bad nightAll night
All night
