Nobody Like You

Little Mix

[Verse 1: Jesy]
I'm alive, and living's just a beating heart
'Cause we won't admit we've taken it too far
I know it's love 'cause I will always be the first
To start making up excuses when it hurts[Pre-Chorus: Jesy]
But I'm alone, I'm alone, I'm alone again
And all I want, all I want is to feel again[Chorus: Jesy]
There's nobody like you, nobody like you
I've tried goodbye a hundred times, not one of them true
Nobody like you, nobody like you
I'm screaming, "I don't want you" but you know that I do[Verse 2: Leigh-Anne]
Strong, a side of me you never found
'Cause you only see me when my guard is down
And it's wrong, and I hate that it's the truth
But I only like myself when I'm with you[Pre-Chorus: Jade]
But I'm alone, I'm alone, I'm alone again
And all I want, all I want is to feel again[Chorus: Leigh-Anne & Jade]
There's nobody like you, nobody like you
I've tried goodbye a hundred times, not one of them true
Nobody like you, nobody like you
I'm screaming, "I don't want you" but you know that I do[Bridge: Jade & Perrie]
Oh, I wanna feel you in the dark
I could use, I could use some
But all you left me with was scars
And that's the hardest part
There's nobody like you, nobody like you
I've tried goodbye a hundred times, not one of them true[Chorus: Perrie]
There's nobody like you, nobody like you
I've tried goodbye a hundred times, not one of them true
Nobody like you, nobody like you
I'm screaming, "I don't want you" but you know that I do[Outro: All]
Nobody like, nobody like, nobody like you
Nobody like, nobody like, nobody like you
Nobody like, yeah, nobody like you
Nobody like, nobody like you
