

Man of Our Times

Genesis

I'm one of many, I speak for the rest
But I don't understand
Tonight, tonight
Oh tonight, tonight He brings another day, another night, another fight
Well there's another day done and there's another gone by
He's a man of our times, a man of our times
Tonight, tonight
Oh he's burning bright He's a man of our times
He's a man of our times, oh oh oh And in the beating of your heart
There is another beating heart All at once I can see what we do
Me into me and you into you
Me into me and you into you
Tonight, tonight
Oh he's burning bright Everyone is on their feet 'cos he is out
Out on the street
There's another day done and there's another gone by
No more me into me and you into you
Tonight, tonight
Oh he's burning bright He's a man of our times
He's a man of our times
He's a man of our times, oh oh oh And in the beating of your heart
There is another beating heart He's a man of our times
He's a man of our times
He's a man of our times, oh oh oh
