

# I Don't Know

Jaguar Wright

Yeah, yeah, yeah, yeah  
Every time you hurt me, I don't know  
Why I can't throw your clothes out the window?  
Every time I try to be strong and let you go  
You start talking sweet to me like I was you ho Tell me baby, what you want with me?  
Doing this to just embarrass me  
Tell me who think you pimping boy?  
When I'm the only one who brings you joy And I'm the one who keeps you stash  
Never make you spend the money you flash  
Never ask you for a fucking thing  
And you gave that bitch my diamond ring I don't know why I try to believe all your lies  
Every time using me, why I act like you playing big deez  
Why I still understand, you got more kids than you said you had man  
Every time a new girl pops up, I guess I don't give enough Every time you hurt me, I don't know  
Why I can't throw your clothes out the window?  
Every time I try to be strong and let you go  
You start talking sweet to me like I was you ho Tell me baby, what you want from me?  
Do you just want to embarrass me?  
Tell me why I let you steal my  
You don't know how bad it hurts me  
When my niggaz laugh at me I don't know what's keeping me  
But the sex ain't as good as it use to be  
So I don't know why I still pay your bail  
And you deserve to be there And every time that you're broke  
I pay you money just to leave me alone  
Why I don't understand that you ain't no kind of man  
Giving me, grabbing my clothes, I guess I don't get enough Every time you hurt me, I don't know  
Why I can't throw your clothes out the window?  
Every time I try to be strong and let you go  
You start talking sweet to me like I was your ho
